Renewable Heating & Cooling
European Technology and Innovation Platform

European Solar Thermal Technology Panel

Solar Thermal Energy for Europe 2020

Thursday, 07 April 2016

Diamant Conference & Business Center

13:30 h	**Registration**
14:00 h	Welcome *Bernd Hafner, Chairman European Solar Thermal Technology Panel*
14:10 h	Achievements of ESTTP concerning topics in the calls of H2020 *Daniel Mugnier (TECSOL)*
14:45 h	The European Heat Strategy *Eva Hoos (DG ENER EC) (tbc)*
15:15 h	European Innovation Partnership on Smart Cities and Communities (EIP SCC) *Georg Houben (DG ENER EC)*
15:45 h	Solar Active Houses: examples from Germany *Harald Drück (ITW/TZS, University of Stuttgart) - German Projects HeizSolar and SolSys*
16:00 h	Solar Compact Hybrid Systems: the experience from an European project *(tbc) - MacSheep*
16:15 h	Coffee break
16:45 h	Solar heat for Industrial Processes: *Francesco Orioli (Soltigua) - INSUN* *Uli Jakob (Dr. Jakob energy research GmbH & Co. KG) - REEMAIN project*
17:15 h	Successful projects on Compact Storage and District Heating (15 min each) *Jan Erik Nielsen (Plan Energi) - District heating* *(tbc) - Compact storage EU Project COMTES*
18:00 h	Brokerage Event
19:30	Networking dinner

RHC-Platform Secretariat - Solar Thermal Technology Panel
c/o European Solar Thermal Industry Federation (ESTIF)
Place du Champ de Mars 2
B-1050 Brussels

SEVENTH FRAMEWORK PROGRAMME

Renewable Heating & Cooling
European Technology and Innovation Platform

European Solar Thermal Technology Panel

Solar Thermal Energy for Europe 2020

Friday, 08 April 2016

Diamant Conference & Business Center

09:00 h	European Energy performance of buildings directive (EBPD) - the chance for Solar Thermal Technology *Harald Drück (ITW/TZS, University of Stuttgart, Germany)*
09:20 h	Energy-related products directive (ErP) and the Labelpack A+ initiative *Pedro Dias (European Solar Thermal Industry Federation, ESTIF)*
09:45 h	Solar Heating and Cooling Topics in the H2020 calls in 2017 *Piero De Bonis (DG RTD EC)*
10:15 h	Next steps for the update of the Solar Thermal Roadmap and inputs for H 2020 calls 2018 and beyond *Gerhard Stryi Hipp (Fraunhofer ISE)*
10:30 h	Coffee break
11:00 h	Discussion - Next steps for the update of the Solar Thermal Roadmap and inputs for H 2020 calls 2018 and beyond *Moderated by Werner Weiss (AEE INTEC)*
11:45 h	Summary of the workshop and next steps *Bernd Hafner, Chairman European Solar Thermal Technology Panel*
12:00 h	End of the workshop

IEA SHC Task 54 workshop

12:00 h	Coffee break
12:30 h	IEA SHC Task 54 workshop
14:30 h	End of the IEA SHC Task 54 workshop
